Who We Serve

https://irfan9056.github.io/imperial-website/

WHO WE ARE

National reach, local crews, one point of contact

We handle the full range of preservation and field services, from securing and winterizing vacant homes to inspections, plumbing, electrical, HVAC and general repairs. You send one order to one vendor. We dispatch a vetted local crew, check their work and send you clean, audit-ready photo sets.

Mortgage Servicers

Pre-conveyance work, conveyance-condition repairs and first-time vacancy orders to investor guidelines.

National Field Service Companies

A dependable regional partner that accepts orders, meets due dates and uploads clean photo sets.

Asset Managers & REO Brokers

Rekeys, trash-outs, rehab bids and sales cleans so listings go live on schedule.

Investors & Landlords

Turnovers, make-ready repairs and recurring maintenance between tenants.

Property Managers & HOAs

Vacant unit checks, grounds care, code-violation cleanup and emergency response.

Services

SERVICES

Preservation, inspections & repair, in detail

Every service below is quoted, completed and documented to the same standard. Filter by category, or send us a work order for anything not listed.

All services | Securing | Maintenance | Repairs & Rehab | Inspections

Initial Secure & Lock Changes

We make a newly vacant property safe on the first visit so it cannot be entered, damaged or occupied.

- Rekey or replace entry locks, install lockboxes
- Secure garage, sliders, windows & crawl spaces
- Post required notices and contact placards
- Utility status check & meter photos

Key codes logged per client · Same-day available

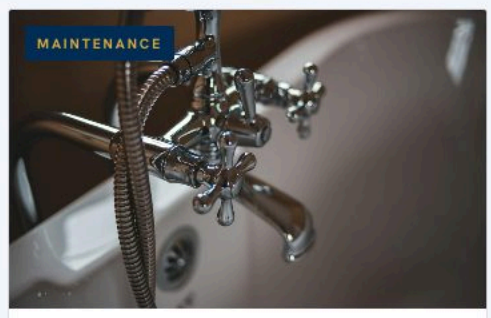

Boarding & Glass Replacement

Broken openings get boarded or reglazed fast to stop weather damage, vandalism and squatters.

- Board-up to HUD standard, measured per opening
- Window and slider glass replacement
- Door repair or replacement
- 24/7 emergency response

Openings billed by united inch · Emergency: 24 hr

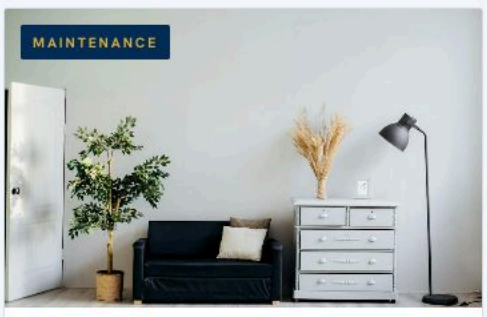

Winterization & De-Winterization

We protect plumbing and heating systems in vacant homes from freeze damage, and bring them back online for sale or move-in.

- Dry, wet (radiant/boiler) and steam systems
- Lines blown out, antifreeze in traps & toilets
- Water heater drained, main shut & tagged
- Winterization notices posted at fixtures

Pressure test: 30 PSI held 30 min, photo of gauge

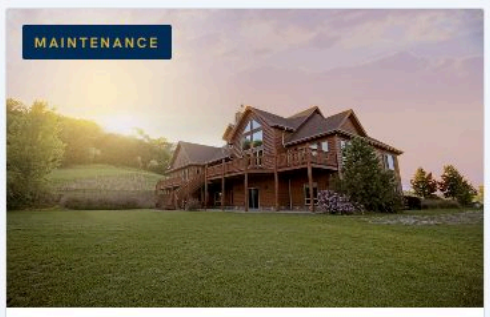

Trash-Outs & Debris Removal

Full removal of personal property and debris from interiors, exteriors, garages and sheds, hauled and disposed of properly.

- Interior & exterior debris, estimated by cubic yard
- Personal property inventory when required
- Hazardous items & auto removal coordinated
- Dump receipts provided with every load

Bid by cu yd · Before/after photos of every room

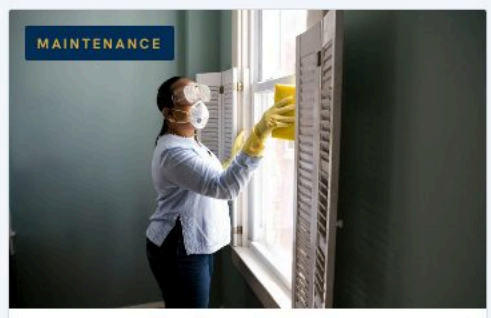

Lawn, Grounds & Snow

Curb appeal and code compliance for vacant homes, on a recurring schedule or a one-time initial cut.

- Initial and recurring grass cuts, edging, blowing
- Shrub & tree trimming, vine removal
- Snow removal and de-icing
- Code violation and HOA notice cleanup

Recurring cycles: 14 or 21 day · Lot size in sq ft

Sales Cleans & Maid Service

Market-ready cleaning so a property shows well on its first day on the market.

- Initial deep clean & recurring maid visits
- Kitchens, baths, appliances & windows
- Odor treatment and carpet cleaning
- Final walk-through photos for the listing agent

Priced by sq ft · Listing-ready in 48 hrs

Roof Repair, Tarping & Mold

We stop active leaks first, then repair the roof and treat moisture before mold spreads.

- Emergency tarping and patch repairs
- Gutter cleaning and downspout repair
- Moisture readings & mold treatment
- Sump pump install and dehumidifiers

Tarp billed by sq ft · Moisture % photographed

Plumbing, Electrical & HVAC

Licensed trade repairs to get utilities safe, working and ready for inspection.

- Leak repair, fixture & water heater replacement
- Panel, outlet, GFCI and fixture repairs
- Furnace and A/C service & replacement
- Smoke & CO detector installation

Permits pulled where required

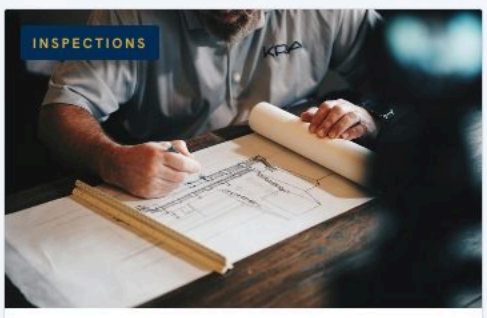

REO Rehab, Flooring & Make-Ready

From punch lists to full renovations, we turn distressed properties into listings and rentals.

- Interior & exterior paint, drywall, flooring & carpet
- Kitchen and bath updates
- Handyman punch lists & conveyance repairs
- Itemized scope of work with line-item bids

Bids itemized by room & line item

Property Inspections & Occupancy Checks

Accurate eyes on the property, with condition reports your team can act on right away.

- Occupancy and vacancy verification
- Exterior drive-bys & interior condition reports
- Damage and insurance-claim documentation
- Recurring monthly property checks

GPS & time-stamped photos · Report in 24 hrs

Pool, Hazard & Safety Securing

We remove the dangers that create liability on a vacant property.

- Pool covers, draining and green-pool shock
- Handrails, broken steps and trip hazards
- Exposed wiring capped, gas lines secured
- Rodent & pest control

Hazards flagged in report within 24 hrs

Bids, Estimates & Conveyance Prep

Clear, itemized bids with photos behind every line, so approvals move quickly.

- Photo-supported bids for over-allowable work
- Conveyance condition checklists
- Damage estimates for claims
- Recommended repairs ranked by priority

Bid turnaround: 24 to 48 hrs

How an Order Moves

https://irfan9056.github.io/imperial-website/

HOW AN ORDER MOVES

From work order to closed invoice

Every job follows the same five steps, so you always know where it stands and what comes next.

01

Order Received

Work order accepted, assigned to a vetted local vendor and scheduled against your due date.

Same business day

02

Site Visit

Crew arrives, verifies occupancy and captures before photos of every area.

24 to 48 hrs

03

Bid & Approval

Anything outside the order is bid with photos and waits for your approval.

No surprise charges

04

Work Completed

Work is completed to spec and checked by our QC team before sign-off.

QC on every order

05

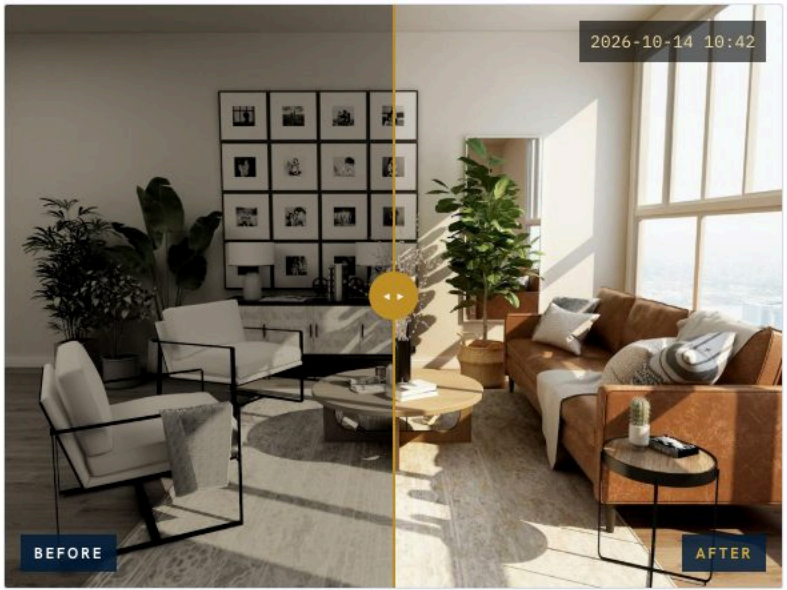

Photos & Invoice

Before, during and after photos are uploaded with the invoice and any receipts.

Photo Standard

https://irfan9056.github.io/imperial-website/

OUR PHOTO STANDARD

If it isn't photographed, it didn't happen

Servicers get charged back for work they can't prove. Our vendors shoot to a fixed checklist, and our QC team reviews every set before it reaches you.

BEFORE	Street sign and house number, every room, every hazard, all meters
DURING	Work in progress, materials used, dumpster fill levels
AFTER	Same angles as before, lock & lockbox, posted notices
PROOF	Date, time & GPS stamp · gauge readings · dump receipts

Compliance & Why Imperial

https://irfan9056.github.io/imperial-website/

COMPLIANCE & STANDARDS

Built for audits, not just appearances

Preservation work is judged against investor guidelines and allowables. We learn your requirements up front and hold every vendor to them on every order.

HUD / FHA
Conveyance condition, first-time vacant and allowables

Fannie Mae & Freddie Mac
Servicer property preservation requirements

VA & USDA
Government-backed loan guidelines

Local Code
City ordinances, HOA rules, registration notices

Background Checks
Annual Aspen Grove (ABC) screening for every vendor

Insured Vendors
General liability certificates on file before the first order

FOR CONTRACTORS

Join the Imperial vendor network

We are always adding preservation, lawn, inspection and trade contractors in the counties we cover and the ones next to them. Steady work orders, clear specs, bi-weekly pay by direct deposit, and a team that answers the phone.

Contractor Agreement & Vendor Packet
Payment terms, ACH direct deposit form, vendor information sheet and the subcontract agreement (PDF, 12 pages)
DOWNLOAD ↓

Form W-9
IRS Request for Taxpayer Identification Number, with Imperial Field Services as the requester (PDF)
DOWNLOAD ↓

1 **Download & complete the packet**
Fill in the payment terms, ACH authorization, vendor information, service area and services performed pages, then sign the subcontract agreement.

2 **Complete your W-9**
Sign it with a valid SSN or EIN that matches your legal name or business name.

3 **Gather your documents**
See the checklist. Scans or clear phone photos are fine.

4 **Email everything in one message**
Send the packet and documents to info@imperialfieldservices.com. We review within two business days and set up your portal login.

What to include with your packet

FAQ

Questions clients ask

What is property preservation and field services? −

Property preservation is the work of keeping a vacant, foreclosed or bank-owned home secure, safe and in good condition until it is sold or reoccupied. That includes lock changes, winterization, debris removal, boarding and hazard removal. Field services adds the inspections, ongoing maintenance and repairs that keep the home compliant with code and investor guidelines and ready to sell or rent.

Who actually does the work? +

Do you work directly with investors and landlords, or only banks? +

How do you price work? +

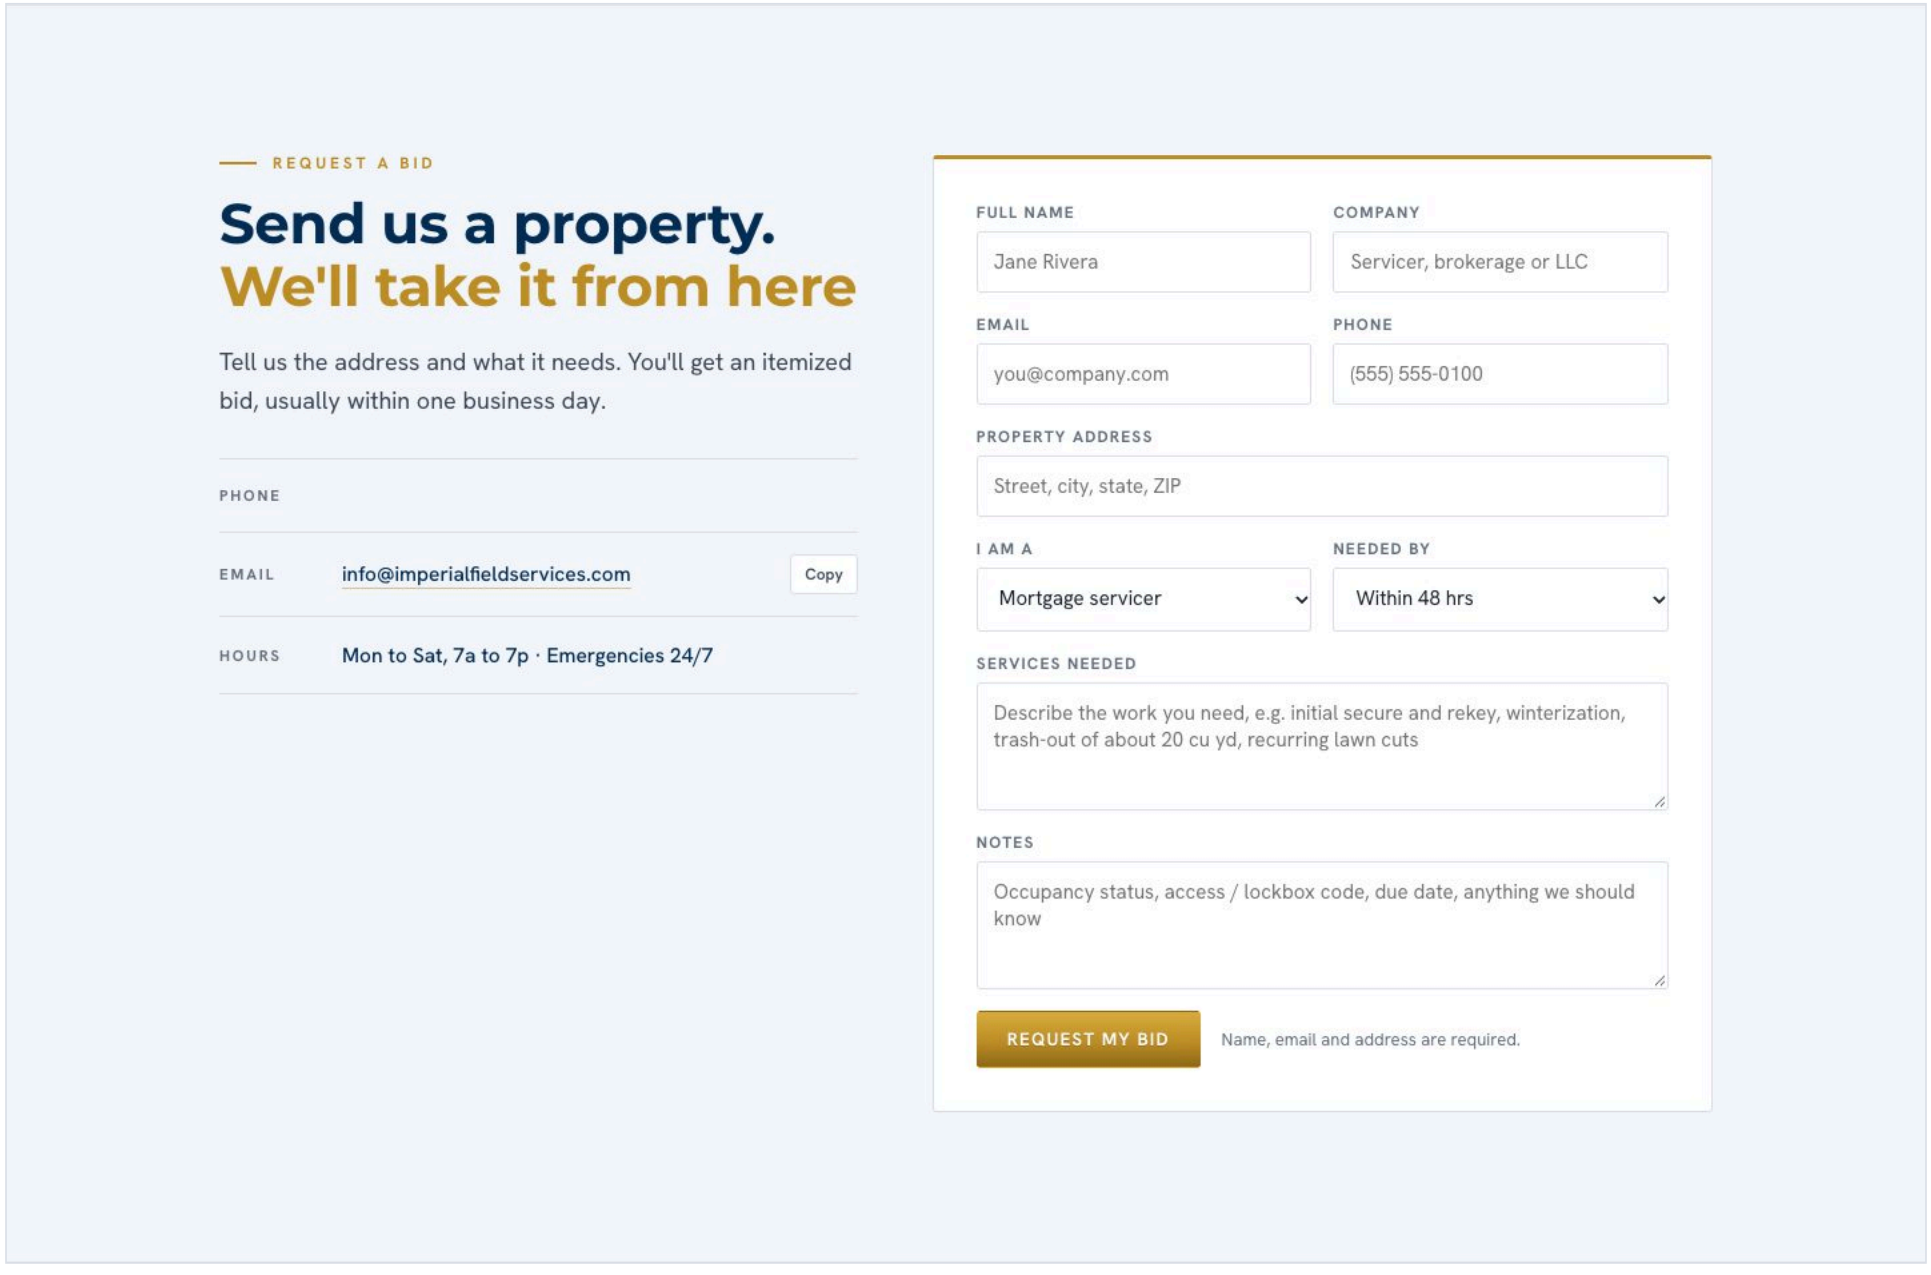

Can you work in our vendor portal? +

What if a property is occupied when your vendor arrives? +
